“The Ukrainian Market for Fruit and Vegetables – Current Situation and Perspectives”, 10 February 2011, Side event of the FRUIT LOGISTICA 2011

Dear Sir or Madam,

Ukraine's immediate proximity to the EU makes the country extremely interesting both as a production and a trading partner to German or Western business men in the fruit and vegetables industry. We would like to invite you to take part in the following event:

“The Ukrainian Market for Fruit and Vegetables – Current Situation and Perspectives”, 10 February 2011, 9.30 am – 11.00 am, followed by a get-together, Trade fair grounds Berlin, Großer Stern, Sydney room.

The event is organised as part of the world's leading trade fair in the fresh fruit trade - FRUIT LOGISTICA 2011 in Berlin by the Committee on Eastern European Economic Relations (OA) and Messe Berlin GmbH in cooperation with the Association “Ukrainian Agribusiness Club” and the Ukrainian NGO “First Agrarian Cluster”.

We are glad to welcome two Ukrainian expert delegations. The Ukrainian representatives are going to present the today's situation of the fruit and vegetables market in Ukraine and will be discussing current questions together with the interested trade fair audience. Initial contacts can be made at the following get-together.

Enclosed you will find the programme and the registration form. We would be very happy to welcome you on the 10th of February in Berlin. The participation is free of charge. Please note that you need an entry ticket for the trade fair grounds. Tickets are online available at www.fruitlogistica.de.
